Key Insights

AI Generated

Friday No-Shows Spike

No-shows are 3× higher on Fridays compared to any other day. Consider sending reminder messages Thursday evening.

Automated Reminders Working

Avg follow-up response time dropped from 16m to 14m since enabling auto-reminders last month.

2 Staff at Risk of Offender Status

Emma Lawson and James Carter are approaching the 3-absence threshold. Consider proactive contact now.

Top Absentees This Month						View All Staff

🔥 Serial Offender Thresholds

Define how many absences trigger a "Serial Offender" flag and automatic escalation.

CANCELLATIONS

3

per month

NO-SHOWS

2

per month

SICKNESS

3

per month

Combined strike threshold

Any combination of absences totalling this number triggers a flag

4

strikes

🔔 Notifications & Reminders

Auto follow-up on No-Shows

Send automatic SMS/email when a no-show is logged

Pre-event reminder (24 hrs before)

Send staff a confirmation request the day before

Serial offender alert to manager

Email me when a staff member crosses the threshold

Daily digest email

Morning summary of yesterday's absences

DEFAULT REMINDER CHANNEL

SMS + Email

⚠️ Danger Zone

Clear all absence records

This will permanently delete all logged absence data
